

The James Hillier Foundation

Dear Hillier Scholarship Winner;

Since 1997, the James Hillier Foundation has bestowed 42 local students with university scholarships worth over \$675,000.

The Director's of the Foundation want to keep in touch with you and secure your guidance to ensure we are providing the appropriate direction to the Foundation that Dr. James Hillier envisioned.

Scholarship Recipient Survey – 2011

Recently, a questionnaire was sent to our recipients. Thanks to those that responded and if you didn't respond we would still like to hear from you.

Specifically, we wanted to know whether our recipient's career direction was influenced by the James Hillier Foundation Scholarship and whether their employment connected to the aims of the Foundation. Of our 38 recipients, we only have contact information on 25.

2012 Information Evening with the James Hillier Foundation

On May 4th, 2012 the Directors of the Foundation will be hosting a reception for all our past recipients, future scholarship applicants and their guidance and science teachers. The event would kick off the local "Education Week", a province wide celebration of learning. As a past recipient, you will be receiving an invitation. The purpose of the evening would be to inform potential applicants and their supporting teachers of the Foundation's scholarships and application criteria. Additionally, it will be an opportunity to network with and hear from past recipients about the path they have taken since entering their university career.
