

The James Hillier Foundation

Nurturing tomorrow's discoveries today

34 Spalding Drive, Brantford, Ontario, N3T 5W5

Dear Hillier Scholarship Recipients;

Since 1997, the James Hillier Foundation has bestowed scholarships for university to Brant County high school students wishing to pursue a career in scientific research. This year marks the 22nd year for the program and to date 65 local students have been awarded university scholarships. At the conclusion of this year, the Foundation will have awarded over \$1,039,750.00

2018 Scholarship Recipients

This year, the Foundation was pleased to offer three scholarships. High school students Rianna Crawford and Joshua Clugston both from Brantford Collegiate Institute and Markus Kunej of North Park Collegiate are the recipients of full four-year \$20,000 scholarships from the James Hillier Foundation. They were presented with their awards on June 13, 2018 at the annual Innovation Day at Apotex Pharmachem, Brantford.

Board of Directors

With retirements we are pleased to announce the addition of two new members to the Board of Directors.

Allan Lovett: Allan is a partner with Waterous Holden Amey Hitchon LLP and active with numerous community groups and organizations including the Brantford-Brant Chamber of Commerce and the Economic Development Advisory Committee. Allan was born and raised in Brantford and is proud to call it home with his wife and two children.

Dr. Allan Rey: Allan has been employed at Apotex Pharmachem Inc. in Brantford, Ontario since 1996. He is currently Senior Manager, Research, Technology and Intellectual Property Affairs. His most recent work has centered on the introduction of innovative technologies to the pharmaceutical industry such as continuous flow processes and the use of robotics for high throughput screening. He served as the 2013-2016 Director of Industrial Liaison on the Canadian Society of Chemistry (CSC) Board of Directors and is currently a member of the Queen's Chemistry Innovation Council.

An Evening with Jane Goodall – (Thursday, Sept. 27th, 7:00pm)

In partnership with the Sanderson Centre, the Foundation is delighted to have this iconic scientist appear at our local Brantford theatre. The Foundation will be supplying up to 350 complementary tickets to local area high school students. Tickets have also been made available to the general public.
